

## Application to Serve with the children

Thank you so much for your willingness and desire to serve in our church. In His ministry Jesus expressed great love for the children He blessed. As His people, we also desire to communicate His love in various ways. One of the ways we seek to love our children is by providing a safe environment for them. This is a priority for our church and that is one reason for this application process. Thank you for your understanding and cooperation in this application process. May God bless you as you faithfully serve.
